An Irreplaceable Kiss Scene

Webtoon Original [Original Link](#)

View Count: 30,000 on Series

Genre: Modern Romance

Episodes: 80 episodes

Logline: Imagine a top actor who turns into a 7-year-old child every time he kisses someone! After an accidental kiss with star actor Ju-bin, stunt double Kang Som is left responsible for turning him back to normal. Now, she's stuck living with the grumpy, high-maintenance star, trying to keep their strange secret under wraps. As she navigates this chaotic arrangement, an unexpected opportunity to make it big as an actress suddenly appears... But will she be able to handle it all?

Genre: Romance Fantasy

Episodes: 80 episodes [Link to Episode](#)

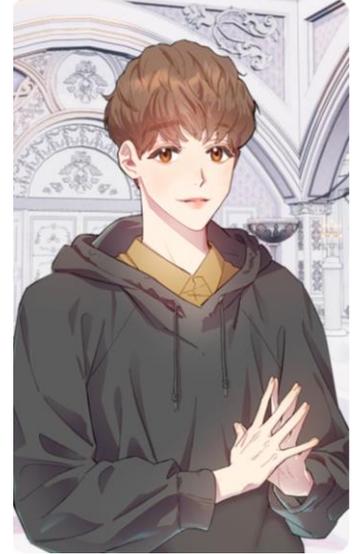

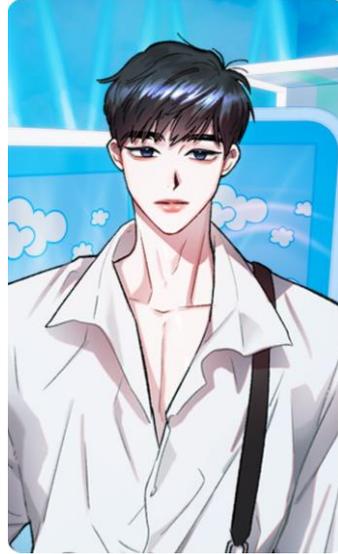

Logline:

Iris was once called the flower of the Witlow Duchy, but her life was more like that of a weed—worthless and unwanted. Now, with a second chance at life, she sets her sights on Cavrant Green, a fiery and beast-like man.

Every time their eyes meet, the air between them sizzles with danger...

"Go ahead, try to set my heart on fire... Though I doubt you can."
