<Tickety Toc> TV Series

Tommy and Tallulah are chime timers living in a town inside a clock who chime time every hour on the hour. They have fun solving the town's big and small problems with their friends.

<Tickety Toc> signed Asia's first exclusive broadcasting contract with America's No. 1 kids channel Nickelodeon and has been aired in 170 countries around the world.

<Super Wings> TV Series S8, Movie

Targeted 3-5yrs, 11'X40epi

In S8, the world's fastest delivery plane Jett has upgraded with clean-electric energy, delivers packages to children all over the world! Jett and Super Wings experience diverse cultures with children from around the world and solve problems in creative ways. Even the environmental, and time-traveling problems!

<Super Wings> first aired season 1 in 2014 and is set to air season 8, visiting children in more than 96 countries.

FunnyFlux Project 03

<Katuri> TV Series S5, Movie

Targeted 2-4yrs, 5'X40epi / MV: 70'

Now in Season 5. four pheasant chicks stretch their imagination into a play and meet new friends while learning nature environment with a wise mother KATURI!

<Katuri> is a warm, caring animation based on the book by Jung-Saeng Kwon, a children's book author, who's also famous for <Puppy Poo> and <Sister Mongsil>.

Through the story of a wise mother Katuri and four pheasant chicks with distinct personalities, you can feel mother's love and the importance of nature.

<Dinoster TV Series>

Targeted 6+ , S1:11'X26epi / S2:11'X26epi

Dinoster is an action adventure animated series where 4 heroes with distinct personalities explore a dinosaur world. With the help of various dinosaurs and transforming robots, Dinoster protects and rescues dinosaurs from natural disasters and accidents. Dinoster also crisscrosses the dinosaur world and the human world to protect them from villains trying to dominate the world.
