# BRING YOUR IMAGINATION INTO REAL LIFE

PT. Ayena Mandiri Sinema or better known as AYENA STUDIO is a company that focuses on animation and digital content services. The development of the issue of Cimahi as a Creative Cyber City has made a group of young professionals form this company in February 2015. In its development to date, AYENA STUDIO has worked on national and international projects, also in collaboration with several institutions, schools, creative communities in the field of resource development.

To be a good company, AYENA STUDIO also has a work culture. The work culture used by AYENA STUDIO is called KREATIP. KREATIP stands for Creative, Active, Innovative and Productive. This work culture is expected to help AYENA STUDIO produce quality works and make AYENA STUDIO a superior company.
