KDIGITAL MEDIA
MUSIC DISTRIBUTION

DISTRIBUTION

Including Asia. service and manage 22,000,000+ music
On direct contract platforms around the world

SUB-PUBLISHING

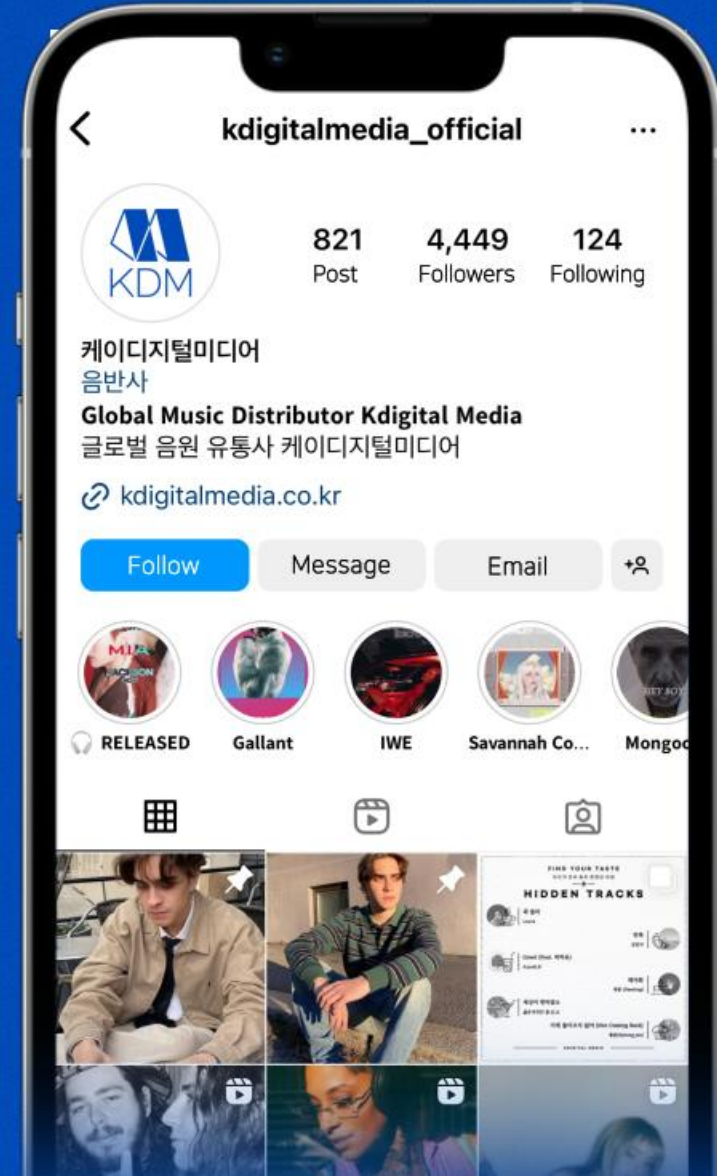

As a Korean PROs member, not only solves copyright issues on behalf of artists/agencies, but also acts as an agent for sync (film, TV series, advertisements, trailers etc).

RECOMMEND TRENDY MUSIC CONTENT

KDIGITAL MEDIA offers more opportunities for music, syncing them with K-contents and providing promotions via social media. And as an expert in the Korean market, provides strategic analysis of the Korean music market. For our partners who were reluctant to enter the foreign market, KDIGITAL MEDIA can become a reliable source to comprehend the trends in the Korean music industry.

@kdigitalmedia_official
