symbolizing countries around the world!

are currently being distributed.

A fun pajama party with animal friends from around the world!

This story follows adorable, chubby animal friends representing countries, continents, and imaginary creatures from around the world, as they arrive one by one to study at the TongTong International Arts School on a beautiful Pacific island (Hawaii?), experiencing their fun and exciting school life and dormitory life.

It contains the sweet happenings of the Pajama Friends (Pajama + Animal) who have a pajama party at the Tosil Tosil Dormitory on the weekend night after various arts and physical education classes such as swimming, ballet, art, and singing during the week. In fact, the Pajama Friends want to party all night, but they are all sleepyheads, so at some point they get tired of the party and fall asleep.

Eggogoo & Friends

The funny story of eggs broken by mistake

This is a story capturing the daily lives, small adventures, and journeys of Egugu, who broke out of his egg and came out into the world due to an accidental mistake, and his various egg friends.

"Eggoogoo" the clumsy, free-spirited egg

"Mechoo" Eggoogoo's best friend, the braised quail egg

"Mac," the sauna-baked egg with a weak constitution and poor stamina

"Tata," the timid African ostrich egg (actually from a Paju ostrich farm)

"Addy," the turtle egg from a beautiful Pacific island with poor eyesight and no sense of direction

"Dandan," the chatty century duck egg from Beijing, China

"Gogo," the dinosaur egg that hatched from an earthquake near Mount Fuji in Japan

A screenshot of a social media post, likely from a Thai platform, showing a hand holding a box of 'OK CANDY with Phone Hipper' by Big One Group. The box is purple and pink, featuring five cute animal characters (a blue bear, a yellow bear, a green bear, a pink pig, and a black and white cat) wearing pajamas and holding a phone-shaped container. The flavor is 'Strawberry Flavor'. The background shows other candy boxes in a store. The post has 16.8 million likes, 205 comments, and 1.6 million shares. The user 'ja*bebbby' posted it, and the caption is in Thai and English, mentioning 'Goodnight PAMMAL' and various hashtags.
